

We need your support!

Hi everyone, at long last Victoria area Pickleballers have an opportunity to make comments and have input to what happens to the pickleball courts at Carnarvon Park in Oak Bay.

The District of Oak Bay and Lees & Associates Consulting are inviting you to comment on the draft presentation of options for the redevelopment of Carnarvon Park. **Public open houses are scheduled for Saturday November 3rd and Sunday November 4th from 10am to 2pm at the Oak Bay Recreation Centre, 1975 Bee Street.** This open house will provide information and an outline of potential options for improvements and changes to the northwest section of the park. You will have the opportunity to share your thoughts on these proposals.

If you have a bit of time to spare on Saturday Nov 3 or Sunday Nov 4th please come out and review and comment on the options for the pickleball space presented in the Carnarvon Park redevelopment. This is an important opportunity to have meaningful input to get the pickleball court space we need in the Oak Bay area. If you can't make it out please pass this info onto anyone else that may be interested.
