

## Paying By PayPal

You can pay the VRPA using PayPal **either** by paying through **your own PayPal account** or **by credit card** if you don't have a PayPal account. BOTH options appear at the payment stage. See the last screen. Choose the top, yellow button if you want to pay using your own PayPal account or choose the bottom, grey button to pay by credit card. See the following screenshots.

**On the payment page, use the pull down menu to choose the correct fee then add it to your cart.**

**Choose and option for payment (your PayPal account or credit card without PP account)**

See the screen for your receipt and receive an email receipt (example below was a payment made by credit card without a Paypal account)
