

January 2018 VRPA Newsletter

Happy New Year everyone. Here's to 2018 being full of the best of pickleball for each of you.

VRPA initiatives

Our Beyond Drop-In Wednesday sessions begin this week and the program is fully subscribed. If you are interested in being on a spare list, please email us with your phone number and we'll keep you in mind. Participants are responsible for finding their own substitute but it's good to know who may be interested.

A refereeing/scorekeeping clinic in May filled quickly so we are looking at additional opportunities. Stayed tuned.

Planning is underway for a possible June tournament and indoor leveled play. Details on both of these will follow.

Appeal

If you have any expertise in running tournaments and are willing to assist us in directing a June tournament, please contact us as soon as possible. Many of our members are developing lots of expertise in terms of playing in tournaments and we would benefit greatly from developing skills related to hosting tournaments.

News

Please see a new indoor place to play listed on the website under Indoor/Core/Cordova Bay CC. The Cordova Bay Community Club is beginning to offer pickleball on Tuesdays and Fridays. **A free trial is offered at 1 PM on Friday, Jan 12.** See the website for details.

PCO membership cards have begun to appear in the email boxes of VRPA members. If yours has not yet arrived, check your spam/junk mailboxes in case it has ended up there as has been the case for some. If you have verified that you don't have it and need it for tournament registration, please contact the membership director for PCO (membership@pickleballcanada.org) directly. Recent VRPA members will not yet be registered with PCO as we are just now updating our membership list with them for those who joined us in November and December.
