## Leslie Drive: 921 Leslie Dr to Savannah Ave

Construction Update - September 9, 2020

### What's happening?

Saanich will be undertaking a water upgrade project on Leslie Drive from 921 Leslie Drive through Tolmie Park to Savannah Avenue. Scope of the work includes replacement of existing water mains and services as well as extension of a new main through Tolmie Park.

### Why are we doing this?

This project is part of our annual upgrade program to remove aging infrastructure and increase capacity to our current standards. Extension of the main through Tolmie Park will also improve water quality on Leslie Drive.

### Construction Impacts

During construction, work will be taking place between 8:00 am and 4:30 pm from Monday to Friday. During work west of Tolmie Park, vehicle access to Leslie Dr will be restricted to local traffic only. At times, there will be no vehicle access to 924, 930, 934 and 940 Leslie Dr as well as the parking area for Tolmie Park. Staff will notify affected properties in advance of these times. Pedestrian and bike access will be maintained at all times. Tolmie Park will be open throughout construction. Traffic control personnel and signage will be in-place to help direct vehicles, cyclists and pedestrians through and around the work area.

Disruption to water service in the area will occur during construction. Public Works will notify residents a minimum of 24 hours prior to any planned water shut-offs. Garbage and recycling services will be maintained.

### Project Timeline

Construction is scheduled to start September 24th and be completed by end of November.
