

Registration Process

- Players may only register if they have a partner – partner matching is not possible
- **Each player** must pay the \$30 or \$45 registration fee and the team pays for a \$20 event
- **PREPARATION IS REQUIRED - SEE BELOW**
- RECONLINE cannot link the registrations of non-family members so the registration process and fee payment for each player must occur separately. When one member of a team registers themselves and the team in a team event, **they then must register their partner under the partner's individual barcode and PIN through a second transaction. Partners must therefore share this information if one partner is registering another partner.**

Saanich RECONLINE has search functions – bottom, left corner for searching on “pickleball” by keyword and top right for “help” regarding barcodes and PINs.

The screenshot displays the Saanich RecOnline website. At the top left is the Saanich RecOnline logo. To the right of the logo are links for "Create New Account", "Login", and "Help & Forms". Below the logo is a navigation bar with "Start", "Find A Program", "Access & Golf Passes", and "Facilities". A "Cart (0)" button is located on the right side of the navigation bar. On the left side, there is a "Barcode Search" section with an input field for "Enter barcode number" and a search icon. Below that is a "Browse for Courses" section with a sub-section "Available for registration only" and a list of categories: Adult, Adult - Health & Fitness, Early Childhood, Family & Special Events, Golf, Racquets, School Age, Skating, Swimming, and Youth. At the bottom left, there is a "Search by Keyword/Date" button. In the center of the page, there is a photograph of a family (a man, a woman, and two children) sitting on a picnic blanket outdoors. Below the photograph, there is text that reads: "TO SEARCH BY KEYWORD SCROLL DOWN TO THE BOTTOM OF THE PAGE, LEFT HAND SIDE" and "Click on a Brochure Section to the left to search by specific category".
