

**VICTORIA REGIONAL PICKLEBALL ASSOCIATION**  
**VRPA (vicrpa@gmail.com)**

**What's in it for you?**

VRPA aims to:

- represent pickleballers in discussions and negotiations with municipalities and specific venues
- increase the number of indoor and outdoor venues and play opportunities
- advocate with municipalities for dedicated outdoor courts
- support player development through organizing tournaments, clinics ladders, and leagues

**Why a non-profit society?**

Municipal authorities and recreation centres have non-profit rates and will give negotiate and work with registered non-profits. NP societies are required to meet requirements which provide transparency to its members.

**What does it cost?**

A one time initiation fee plus an annual fee. **Fees for 2018-2019 are \$20 for new members and \$10 for members who are renewing.**

**What does the fee cover?**

The fee will allow the organization to function. As the VRPA grows and offers clinics, tournaments, etc. it will require funds to pay for such things as web hosting for communications, equipment, liability insurance, and the like.

**I've already paid for a Saanich or similar pass to play pickleball. Will I have to pay more?**

The VRPA fee allows the organization to function. Additional fees for specific activities such as clinics, tournaments, etc. may apply.

**How do I contribute by joining?**

Go to <http://www.victoriapickleball.org/vrpa.html> to:
